📍 CASABLANCA

Graduated from the national school of computer science and system analysis (ENSIAS) in Rabat, Morocco, as an e-Management Business Intelligence engineer, I have worked as a Business Analyst in several professional environments (local and multinational firms). I have a very deep interest in working with a multinational team to improve my adaptability, flexibility, and communication skills, in addition to working with a diverse set of people to achieve common goals and enhance my ability to work effectively as part of a team.

EDUCATION

Rabat, MOROCCO	ENSIAS-National school of Computer Science and System Analysis
2015/2019	Engineering degree in e-Management and Business Intelligence
CASABLANCA, MOROCCO	Preparatory classes for engineering schools
2013/2015	DUT in physics, chemistry and engineering sciences
